**IX. SERVICE PROVIDER NUMBER PORTABILITY ARRANGEMENTS**

**A. Description**

Pacific and MFS will provide Service Provider Number Portability ("SPNP") on a reciprocal basis between their networks to enable each of their end user customers to utilize telephone numbers associated with an Exchange Service provided by one Party, in conjunction with an Exchange Service provided by the other Party, upon the coordinated or simultaneous termination of the first Exchange Service and activation of the second Exchange Service.

1. MFS and Pacific will provide reciprocal SPNP immediately upon execution of this agreement via DNCF. DNCF shall operate as follows:

- a. A customer of Party A elects to become a customer of Party B. The customer elects to utilize the original telephone number(s) corresponding to the Exchange Service(s) it previously received from Party A, in conjunction with the Exchange Service(s) it will now receive from Party B. Upon receipt of a signed letter of agency from the customer (and an associated service order) assigning the number to Party B, Party A will implement an arrangement whereby all calls to the original telephone number(s) will be forwarded on a multiple-path basis (if requested) to (a) new telephone number(s) designated by Party B. Party A will route the forwarded traffic to Party B over the LISA or JANE trunks as

if the call was a call which had originated on Party A's network.

- b Party B will become the customer of record for the original Party A telephone numbers subject to the DNCF arrangements. Party A will provide Party B a single consolidated master billing statement for all collect and billed to 3rd-number calls associated with those numbers, with sub-account detail by retained number. Such billing statement shall be delivered in an agreed upon format via either electronic file transfer, daily magnetic tape, or monthly magnetic tape.
- c Party A may cancel line-based calling cards and will, as directed by Party B, update its Line Information Database ("LIDB") listings for retained numbers associated with those forwarded numbers.
- c Within two (2) business days of receiving notification from the customer, Party B shall notify Party A of the customer's termination of service with Party B, and shall further notify Party A as to the Customer's instructions regarding its telephone number(s). Party A will reinstate service to the customer, cancel the DNCF arrangement, or redirect the DNCF arrangement pursuant to the customer's instructions at that time.

3. Pacific and MFS will migrate from DDCF to Permanent Number Portability as soon as practically possible, without interruption of service (to the degree possible) to their respective customers.

**B. Compensation**

MFS and Pacific shall provide DDCF arrangements to one another at a rate of \$3.25 per number per month, plus any otherwise applicable charges for authorized collect and billed-to-3rd-number billed calls billed to the retained numbers. Additionally, a per number non-recurring charge of \$31.75 shall apply; provided, however, either Party shall have the option of paying \$75 for the first DDCF ordered in each wire center, plus \$8 for each additional DDCF requested with the same order and in the same wire center. Each Party shall, by December 15, 1995, and by December 15 of each subsequent year, notify the other Party of its selection (or change of selection) of the non-recurring charge option for the following year. The selection shall remain in place for the entire subsequent year.

**X. RESPONSIBILITIES OF THE PARTIES**

- A. Pacific and MFS agree to treat each other fairly, non-discriminatorily, and equally for all items included in this Agreement, or related to the support of items included in this Agreement.
- B. MFS and Pacific will work cooperatively to minimize fraud associated with 3rd-number billed calls, calling card calls, or any other services related to

**this Agreement. The parties fraud minimization procedures are to be cost effective and implemented so as not to unduly burden or harm one party as compared to the other.**

- C. MFS and Pacific agree to promptly exchange all necessary records for the proper billing of all traffic.**
- D. MFS and Pacific will review engineering requirements on a quarterly basis and establish forecasts for trunk utilization, LISA/JANE trunks, MPB arrangements, E9-1-1, EISCC facility requirements, quantities of DNCF, Links and other services provided under this Agreement. Pacific and MFS will work together to begin providing these forecasts by December 15, 1995. New trunk groups will be implemented as dictated by engineering requirements for both Pacific and MFS. Pacific and MFS are required to provide each other the proper call information (e.g., originated call party number and destination call party number, etc.) to enable each company to bill in a complete and timely fashion.**
- E. The Parties will cooperate by exchanging technical information in order to identify and explore potential solutions to enable MFS to establish unique Rate Centers, or to assign a single NXX code across multiple Rate Centers.**
- F. MFS and Pacific will work jointly and cooperatively in developing and implementing common manual and/or electronic interfaces (including, for example, data elements, data format, and data transmission) from which to place service orders and trouble reports involving the provision of Links, DNCF, Directory Assistance, Directory Listings, E9-1-1, and other**

services included in this Agreement. To the extent reasonable, MFS and Pacific will utilize the standards established by industry fora, such as OBF. Specifically with respect to the data elements in the manual and/or electronic interface to Pacific's Directory Listings, Pacific agrees not to require MFS to enter the exchange name associated with the telephone number assigned to MFS' customer. Where MFS does not supply the exchange name, Pacific will use the MFS customer's telephone number to determine the exchange name to be supplied to Pacific Bell Directory.

#### **XI. TERM**

Except as provided herein, MFS and Pacific agree to provide service to each other on the terms defined in this Agreement for a term of two years, and thereafter the Agreement shall continue in force and effect unless and until terminated as provided herein. Either party may terminate this Agreement by providing written notice of termination to the other party, such written notice to be provided at least 60 days in advance of the date of termination; provided, no such termination shall be effective prior to January 1, 1997. In the event of such termination as described herein, for service arrangements made available under this Agreement and existing at the time of termination, those arrangements shall continue without interruption under either a) a new agreement executed by the Parties, b) standard interconnection terms and conditions approved and made generally effective by the Commission, or c) tariff terms and conditions generally available to CLECs; provided, for service arrangements made available under this Agreement and existing at the time of termination, if the standard interconnection terms and conditions or tariff terms and conditions result in the non-terminating Party physically rearranging facilities or incurring programming expense, the non-terminating Party shall be entitled to recover such rearrangement or

programming costs from the terminating Party. By mutual agreement, MFS and Pacific may amend this Agreement to extend the term of this Agreement. Also by mutual agreement, Pacific and MFS may jointly petition the appropriate regulatory bodies for permission to have this Agreement supersede any future standardized agreements or rules such as regulators might adopt or approve.

Notwithstanding the foregoing, neither party may terminate this Agreement unless and to the extent that it is superseded by another agreement or until standard arrangements or general tariff terms and conditions generally available to CLCs are effective.

#### **XI. INSTALLATION**

Pacific and MFS shall effectuate all the terms of this agreement by January 1, 1996. By December 15, 1995, MFS and Pacific shall agree upon a detailed implementation plan to begin implementation of LISA and JANE facilities, MBP arrangements, E-911 trunking, and DNCF services. The parties intend that orders for these services will be placed beginning on December 20, 1995, and that such services would be fully operational (consistent with California law) by February 1, 1996. By January 16, 1996 Pacific and MFS shall agree upon a detailed implementation plan to begin implementation of Directory Assistance, Directory Listings, and the ordering, provisioning, and billing systems and processes associated with these systems.

## **XII. NETWORK MANAGEMENT AND SERVICE MAINTENANCE**

MFS and Pacific will work cooperatively to install and maintain a reliable network. MFS and Pacific will exchange appropriate information (e.g., maintenance contact numbers, network information, information required to comply with law enforcement and other security agencies of the Government, etc.) to achieve this desired reliability.

MFS and Pacific will work cooperatively to apply sound network management principles by invoking network management controls to alleviate or to prevent congestion.

MFS and Pacific will cooperatively plan and implement coordinated repair procedures to ensure customer trouble reports are resolved in a timely and appropriate manner.

## **XIII. FORCE MAJEURE**

Neither Party shall be responsible for delays or failures in performance resulting from acts or occurrences beyond the reasonable control of such Party, regardless of whether such delays or failures in performance were foreseen or foreseeable as of the date of this Agreement, including, without limitation: fire, explosion, power failure, acts of God, war, revolution, civil commotion, or acts of public enemies; any law, order, regulation, ordinance or requirement of any government or legal body; or labor unrest, including, without limitation, strikes, slowdowns, picketing or boycotts; or delays caused by the other Party or by other service or equipment vendors; or any other circumstances beyond the Party's reasonable control. In such event, the Party affected shall, upon giving

prompt notice to the other Party, be excused from such performance on a day-to-day basis to the extent of such interference (and the other Party shall likewise be excused from performance of its obligations on a day-for-day basis to the extent such Party's obligations relate to the performance so interfered with). The affected Party shall use its best efforts to avoid or remove the cause of non-performance and both parties shall proceed to perform with dispatch once the causes are removed or cease.

#### **XIV. LIMITATION OF LIABILITY**

Except as otherwise provided herein, neither Party shall be liable to the other in connection with the provision of use of services offered under this Agreement for indirect, incidental, consequential, reliance or special damages, including (without limitation) damages for lost profits, regardless of the form of action, whether in contract, indemnity, warranty, strict liability, or tort, including (without limitation) negligence of any kind.

#### **XV. ASSIGNMENT**

This Agreement may not be assigned by either Party without 60 days advance written notice and the written consent of the other Party, provided neither Party shall unreasonably withheld such consent. However, no consent will be required in the event of assignment to an affiliate or subsidiary.

#### **XVI. DEFAULT**

If either Party default in the payment of any amount due hereunder, or if either Party violates any other provision of this Agreement, and such default or

violation shall continue for thirty days after written notice thereof, the other Party may terminate this Agreement forthwith by written instrument. The failure of either Party to enforce any of the provisions of this Agreement or the waiver thereof in any instance shall not be construed as a general waiver or relinquishment of its part of any such provision, but the same shall, nevertheless, be and remain in full force and effect.

Notwithstanding the Limitation of Liabilities provision set forth above, the Parties agree that should Pacific under fill the Basic Link orders in a given month by the larger of (a) 500 Basic Links ordered by MFS or (b) 25% of the Basic Links ordered by MFS (provided that for the months April, May, June, July, and August, 1996 said ordered amount shall never be higher than the Link caps for those months), and such failure is due in no part to the actions or inactions of MFS, that this would give rise to damages which would be impractical or extremely difficult to determine. In such event, MFS shall give written notice to Pacific of the failure, and Pacific shall have 30 days after receipt of such notice to cure the defect by providing the number of Basic Links ordered by MFS, consistent with the monthly Link caps provided herein. If 30 days following such notice Pacific has failed to provide the number of Basic Links necessary to cure the defect, Pacific shall pay to MFS a daily liquidated damages amount of \$7,500 for each day that the amount necessary to cure the defect remains unfilled. Further accruals of this daily penalty shall terminate when either Party terminates the Agreement pursuant to Section XI.

## **XVII. NONDISCLOSURE**

- A. All information, including but not limited to specifications, microfilm, photocopies, magnetic disks, magnetic tapes, drawings, sketches, models, samples, tools, technical information, data, employee records, maps, financial reports, and market data, (i) furnished by one Party to the other Party dealing with customer specific, facility specific, or usage specific information, other than customer information communicated for the purpose of publication or directory database inclusion, or (ii) in written, graphic, electromagnetic, or other tangible form and marked at the time of delivery as "Confidential" or "Proprietary", or (iii) communicated orally and declared to the receiving Party at the time of delivery, or by written notice given to the receiving Party within ten (10) days after delivery, to be "Confidential" or "Proprietary" (collectively referred to as "Proprietary Information"), shall remain the property of the disclosing Party.**
- B. Upon request by the disclosing Party, the receiving Party shall return all tangible copies of Proprietary Information, whether written, graphic or otherwise, except that the receiving Party may retain one copy for archival purposes**
- C. Each Party shall keep all of the other Party's Proprietary Information confidential and shall use the other Party's Proprietary Information only for**

performing the covenants contained in the Agreement. Neither Party shall use the other Party's Proprietary Information for any other purpose except upon such terms and conditions as may be agreed upon between the parties in writing.

D. Unless otherwise agreed, the obligations of confidentiality and non-use set forth in this Agreement do not apply to such Proprietary Information as:

- (i) was at the time of receipt already known to the receiving Party free of any obligation to keep it confidential evidenced by written records prepared prior to delivery by the disclosing Party; or
- (ii) is or becomes publicly known through no wrongful act of the receiving Party; or
- (iii) is rightfully received from a third person having no direct or indirect secrecy or confidentiality obligation to the disclosing Party with respect to such information; or
- (iv) is independently developed by an employee, agent, or contractor of the receiving Party which individual is not involved in any manner with the provision of services pursuant to the Agreement and does not have any direct or indirect access to the Proprietary Information; or
- (v) is disclosed to a third person by the disclosing Party without similar restrictions on such third person's rights; or

(vi) is approved for release by written authorization of the disclosing Party; or

(vii) is required to be made public by the receiving Party pursuant to applicable law or regulation provided that the receiving Party shall give sufficient notice of the requirement to the disclosing Party to enable the disclosing Party to seek protective orders.

E. **Effective Date.** Notwithstanding any other provision of this Agreement, the Proprietary Information provisions of this Agreement shall apply to all information furnished by either Party to the other in furtherance of the purpose of this Agreement, even if furnished before the date of this Agreement.

#### **XVIII. CANCELLATION**

The Parties acknowledge that time is of the essence in implementing this Agreement. Therefore, if the Commission acts or fails to act so as to delay implementation of the Agreement by January 3, 1996, then either Party may provide written notice of an intent to cancel. Unless the Parties agree within 10 business days of such notice of intent on a revised plan of implementation, the notice shall become an effective cancellation and the Agreement shall be null and void without force and effect.

#### **XIX. DISPUTE RESOLUTION**

The Parties agree that in the event of a default or violation hereunder, or for any dispute arising under this Agreement or related agreements the Parties may

have in connection with this Agreement, prior to taking any action before any court or regulator, or before making any public statement or disclosing the nature of the dispute to any third Party, the Parties shall first confer to discuss the dispute and seek resolution. Such conference shall occur at least at the Vice President level for each Party. In the case of Pacific, its Vice President for Local Competition, or equivalent officer, shall participate in the meet and confer meeting, and MFS Vice President, Regulatory Affairs, or equivalent officer, shall participate.
